2019 ELLINOMATHEIA EXAMS FEES

For many years, the office of Education (Greek Embassy) in collaboration with the KEG (Κέντρο Ελληνικής Γλώσσας) and HEC administered the Ellinomatheia Exams. However, the Greek Embassy can no longer staff the exams or provide any support. In as much as we have conducted the exams for 11 years, we would like to continue to collaborate with the KEG to offer this service to all candidates.

To offset hiring staff for the application processing, set up and clean up of the facilities and administration of the exams, we must establish a new fee. This fee is in addition to the Application fee. Our goal is to maintain high standards making this a productive and stress free experience for our students.

PAYMENT METHOD: The fees are payable by check only and are due with the Application Form!

The Application Form will not be accepted without the fees!

Check should be addressed to **Hellenic Education Center** – memo line “*Ellinomatheia 2019, Level...*”

PAYMENT POLICIES: Payment for administration and application fee is **due in full** upon submission of the application and is **non-refundable**.
